

Button Rocker for brand switch systems – with arrows

Product ref.: 153001A0 | Product ref.: 156171A0

Product features

- Enables the operation of Homematic and Homematic IP Actuators for brand switches directly on the device
- Due to the arrows on the button rocker, it is especially suitable for controlling of shutters, awnings or blinds
- Compatible with many Homematic IP Actuators for brand switches, for example:
 - Homematic IP Shutter Actuator for brand switches (HmIP-BROLL-2)
 - Homematic IP Blind Actuator for brand switches (HmIP-BBL-2)
- Thanks to the adapter that is already inserted into the button rocker, installation is very easy by clicking into place at the wireless actuator
- As an alternative to the supplied frame, it can be integrated also into many 55 mm frames of leading brand manufacturers: Berker, Busch-Jaeger, ELSO, Gira, merten, JUNG, Kopp
